

# Material Safety Data Sheet

## Section 1 – Identification of substance / preparation and of the company / undertaking

Trade Name: XXL Bio Green Energy  
Synonyms: Soil Enhancer / Supplement for Soil or Fertilizer  
Company / undertaking: Customers' Venture Sdn Bhd  
For information: 03-95430392

## Section 2 – Composition, Information on Ingredients

Soil Enhancer/ Supplement : Magnesium, Calcium, Copper, Zinc, Iron, Manganese  
for Soil or Fertilizer

## Section 3 – Hazards Identification of the Product

None if used for intended purpose

## Section 4 – First Aid Measures

After eye contact: Immediately flush eyes with plenty of water, if necessary see an oculist.  
After skin contact: Flush skin with plenty of water.  
After ingestion: Give 2 – 4 cupfuls of milk or water, if necessary get medical aid.  
After inhalation: Not relevant.

## Section 5 – Fire Fighting Measures

General Information: As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent), and full protective gear.  
Extinguishing Media: Suitable for all normal fire extinguishers.  
Extinguishing media which must not be used for safety reasons, special exposure hazards arising from the product itself, from combustion products or from resulting gases: None known  
Special protective equipment for firefighters: Wear protective equipment.  
Auto Ignition: Not applicable.

## Section 6 – Accidental Release Measures

Personal precaution, protective equipment and emergency procedures: Use gloves and face shield.  
Environment precaution: None.  
Spills/Leaks: Clean up spills immediately, observing precautions in the protective equipment section.  
Sweep up or absorb material, then place into a suitable clean, dry, closed container for disposal.  
Avoid generating dusty conditions. Dispose of in accordance with local state and federal regulation.

## Section 7 – Handling and Storage

Handling: Wash thoroughly after handling. Use with adequate ventilation. Minimize dust generation and accumulation. Keep container tightly closed.  
Storage: Store in a tightly closed container. Store in a cool, dry, well-ventilation area away from incompatible substances.

## Section 8 – Exposure Controls, Personal Protection

Information on the system design: No special measures required.

Personal Protective Equipment

Eyes: Wear appropriate protective eyeglasses or safety goggles.

Skin: Wear appropriate protective gloves.

Clothing: Wear appropriate protective clothing.

Respirations: Use approval respirator when necessary.

## Section 9 – Physical and Chemical Properties

Physical State: Solid.

Appearance: Black powder.

Odor: Not available.

pH: Not available.

Vapor Pressure: Not available.

Evaporation Rate: Not available.

Viscosity: Not available.

Boiling Point: Not available.

Decomposition Temperature: Not available.

Solubility: Soluble at water.

Specific Gravity / Density: Not available.

Molecular Formula: Not available.

Molecular Weight: Not available.

## Section 10 – Stability and Reactivity

Stability: Stable under normal temperature and pressures.

Conditions to Avoid: Incompatible material, dust generation.

Incompatibilities with Other Material: None known

Hazardous Decomposition Products: None known if used for its intended purpose.

Hazardous Polymerization: None if used for its intended purpose.

## Section 11 – Toxicological Information

RTECS#: Not available

LD50 / LC50: Not available.

Carcinogenicity: Not listed by ACGIH, IARC, NTP, or CA Prop 65.

Epidemiology: No information available.

Teratogenicity: No information available.

Mutagenicity: No information available.

Neurotoxicity: No information available.

## Section 12 – Ecological Information

No information available.

## Section 13 – Disposal Considerations

Disposal methods: Waste generators and incineration must determine with the approval of the responsible local authority

#### Section 14 – Transport Information

	Not a hazardous material according to RID/ADR, GGVS/GGVE, ADNR, IMDG, ICAO-TI/IATA-DGR
Shipping Name:	No information available
Packing Group:	Carton box, 30kg HDPE open drum c/w gripper, cover with rubber cord, pinless handle and stopper, 200kg HDPE open drum c/w gripper, cover with rubber cord and stopper

#### Section 15 – Regulatory Information

Health & Safety Reporting List: None of the chemicals are on the Health & Safety Reporting List.

Chemical Test Rules: None of the chemical in this product is under the Chemical Test Rule.

Clean Air Act:

This material does not contain any hazardous air pollutants.

This material does not contain any Class 1 Ozone depletors.

This material does not contain any Class 2 Ozone depletors.

Clean Water Act:

None of the chemicals in this product are listed as Hazardous Substances under the CWA.

None of the chemicals in this product are listed as Priority Pollutants under the CWA.

None of the chemicals in this product are listed as Toxic Pollutants under the CWA.

Classification and labeling according to GHS: None

Classification and labeling according to EC: None

#### Section 16 – Other Information

The information is based on our current level of knowledge and related to the product in the state in which it is delivered. It is intended to describe our product from the point of view of safety requirements and is not intended to guarantee any particular. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. In no event shall be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if has been advised of the possibility of such damages.
